These are not meant to be part of your certificate and should not be used to interpret your Takaful contract in the event of any dispute.

Words in bold

You will notice that some words in the certificate are printed in **bold** letters. This is because they have been given specific meaning in your *IKHLAS* Motorcycle Takaful Certificate. Please refer to Section F on pages 17 to 18 for the meaning of these words.

What makes up your Takaful contract?

Your Takaful contract with us is made up of the following:

- the information you provided us when you applied for this Takaful;

- the Certificate of Takaful (CT).

All these must be read together as they form your Takaful contract.

What this certificate does not cover?

These are referred to as 'Exceptions' in your certificate and there are three sections where you can find them:

- Section A1b – see 'What is Not Covered' (page 6): applicable to Comprehensive certificate only.
- Section B1b – see 'What is Not Covered' (pages 9 and 10): applicable to Comprehensive, Third Party, Fire & Theft and Third Party Only certificates.
- Section D – see 'General Exceptions' (pages 12 to 13): applicable to Comprehensive, Third Party, Fire & Theft and Third Party Only certificates.

ATTACHING TO AND FORMING PART OF TAKAFUL CERTIFICATE NO:

There are generally three reasons why we put these exceptions in your basic IKHLAS Motorcycle Takaful Certificate:

1. Cover is not provided for the exceptions. You have to pay additional contribution if you want to cover any of these exceptions. Some examples of the exceptions which are not covered by your basic IKHLAS Motorcycle Takaful Certificate but which can be covered if you pay additional contribution are:
 - flood, storm {see Section A1b – ‘What is not Covered’ (page 6)};
 - strike, riot, civil commotion {see Section D – ‘General Exception 8b’ (page 12)}; and
 - use outside Malaysia, Singapore or Brunei {see Section D – ‘General Exception 6’ (page 12)}.
2. There are other risks which are not covered by the basic IKHLAS Motorcycle Takaful Certificate or by any of its extensions. We would have to issue a different certificate if you want these types of cover. For example, carriage of goods are not covered by your IKHLAS Motorcycle Takaful Certificate but can be covered under IKHLAS Commercial Vehicle Takaful Certificate.
3. We cannot and do not cover certain risks at all. Some examples of these can be seen in Section D – ‘General Exceptions’ (pages 12 to 13) such as:
 - war, nuclear fission or fusion;
 - risks that are against government/public policy or against the law; and
 - drunk riding.

Your Motorcycle Certificate type is categorised by its permitted use – Make sure that you have bought the correct certificate type for your motorcycle or you may have no cover.

Each type of Motorcycle Certificate covers a specific usage of the vehicle. If you have bought the wrong Motorcycle Certificate type, you may find that you actually have no Takaful cover at all. The type of Motorcycle Certificate is stated in the Certificate of Takaful under the heading ‘Limitations as to Use’. Users for whom you have bought cover are named under the heading ‘Persons or Classes of Persons Entitled to Ride’.

The following are standard types of Motorcycle Certificates:

- i. Private Use
- ii. Commercial Use
- iii. Motorcycle Trade
- iv. Motorcycle Used for Hire

A Motorcycle Certificate for Private Use covers you if your motorcycle is used for “social, domestic and pleasure purposes and for the certificate holder’s business”. The following are some examples of these personal situations for which your Takaful certificate will provide you cover:

- to visit relatives and friends, go shopping etc.;
- giving lifts where no fee will be charged or paid; and
- limited work or business related transport such as getting to and from work and for attending business meetings.

A Motorcycle Certificate for Commercial Use must be bought if the motorcycle is meant or intended to ferry any goods in connection with any trade or business.

A Motorcycle Certificate for Trade Plate Use is intended for:

- motorcycle retail trade (showroom display and/or for test-ride, etc.); and
- repair trade (towing/repair/test-ride, etc.).

A Motorcycle Used for Hire is intended for motorcycles which are in the business of being rented or hired out for use (see Very Important Note below).

VERY IMPORTANT NOTE: Unless your Certificate is specifically extended for this purpose, you will have no Takaful cover if you use your motorcycle in the following manner:

- to practise for or to take part in any race, rally, pacemaking, reliability trial or speed test;
- use on any racetrack; and
- for rental, hire and reward.

Who can ride your motorcycle?

- This depends on whether you have participated the ‘Single Rider’ or the ‘All-Riders’ cover. The ‘Single Rider’ only covers one rider who is named in the certificate. The person named is usually the owner of the motorcycle. The problem with the ‘Single Rider’ cover is that the certificate will not cover if an accident happens while the motorcycle is being used by someone other than the participant named rider. As such, most customers prefer the ‘All-Riders’ cover as lending motorcycles to friends and relatives is quite commonly practised in Malaysia.
- With the ‘All-Riders’ cover practically anyone can ride your motorcycle as long as the rider:
 - has a valid licence of the relevant class to ride and is not disqualified to ride by law or for some other reason {(see exclusion on Unlicensed Riders in Section D – ‘General Exception 1’ (page 12)};
 - has your permission to ride (see definition of Authorized Rider in page 17); and
 - complies with all the terms and conditions of this certificate.
- Note that for either cover, if you or your authorized rider is not qualified to ride or breach any of the terms and conditions, your claim may be rejected. If we are compelled by law to pay, we can recover any sum(s) paid and any expenses incurred from you or your authorized rider.

In which territory is your motorcycle covered?

This Takaful you have participated only covers you in Malaysia, Singapore and Brunei in accordance to the laws of Malaysia. Additionally, note that if you intend to ride your motorcycle into Singapore, you are required by Singapore’s law to have cover against Legal Liability to Pillion (LLP). Since LLP is not covered by the basic IKHLAS Motorcycle Takaful Certificate, you will need to participate Endorsement 108 (see page 21), which provides a limited cover for your liability for death or bodily injury of pillion.

ATTACHING TO AND FORMING PART OF TAKAFUL CERTIFICATE NO:

When is your cover effective?

This Takaful is effective from the time of participation of the Takaful contract or at the agreed time of commencement, until the expiry date. The period of Takaful will be printed in the Certificate Schedule and related documents. If there is any change to these dates, it will be officially shown in an Endorsement issued by us.

How much should you cover your motorcycle for under a Comprehensive or Third Party, Fire and Theft Certificate?

To be safe, you should cover your motorcycle at its current market value (see definition in page 17). In simple terms, this is the current cost to replace your motorcycle with another motorcycle of the same make, model, age and general condition. The amount that you choose to cover is called the sum covered. Please note that you could be penalised if your motorcycle is under-covered (see Section A2e 'Under-Coverage' in page 7).

For example, if the market value of your motorcycle is RM10,000 but you only covered it for RM8,000 then you could be penalised for under-coverage. Assuming the loss is assessed at **RM3,000**, instead of we paying the full amount, you could be made to bear a portion of the loss in proportion to the under-coverage as follows:

Sum Covered		RM8,000				
-----	x Loss	=	-----	x RM3,000 =	<u>RM2,400</u>	
Market Value			RM10,000			

Therefore we will pay **RM2,400** while the balance of **RM600** will be borne by you.

You would be penalised as shown above if the market value of your motorcycle exceeds the sum covered by 10%. On the other hand, it would be inappropriate to over-cover as your Takaful operator would only pay your claim based on the market value. One way to protect yourself from being under-covered or over-covered is to opt for the sum covered determined by a market valuation system approved by Your Takaful Operator.

What is No Claim Discount (“NCD”)?

This is a form of contribution discount for not having made a claim during the preceding period of your Takaful (provided the period of Takaful exceeds one year). The scale of NCD applied is specifically mentioned in the certificate.

The applicable NCD can be checked with us or the Central NCD Database (“CND”) at <https://www.mycarinfo.com.my/ncdcheck/online> before the participation of your IKHLAS Motorcycle Takaful Certificate.

What is an Excess?

This is the first amount that you have to bear yourself for each and every claim that we approve, even if the incident is not your fault. However, please note that the excess does not apply to loss or damage caused by fire, explosion, lightning, burglary, housebreaking, theft, third party property damage or bodily injury claims. Please check your Certificate Schedule to find out the amount that you are liable to pay. This is referred to as Compulsory Excess (see page 8) in your certificate.

As an example, if we assess the claim payable to be **RM3,000** but your certificate carries an excess of RM200, you will have to bear the first **RM200** yourself and the balance of **RM2,800** will be paid.

Do’s and Don’ts – after you have had an accident or theft

- **Do:**
 - Call **Accident Assist Call Centre (AACC) 24 hours** nationwide Takaful road accident Helpline number **1-300-22-1188** or **15-500** for immediate road assistance or tow service in the event of a road accident, or to make an enquiry on claims procedure;
 - inform us as soon as possible about any incident which may give rise to a claim;
 - report all accidents to the police within 24 hours as required by law;
 - submit immediately to us all letters, claims, writs and summons which you have received from third parties as a result of the incident;
 - remove your motorcycle to your Takaful operator’s approved panel repairer for repairs; and
 - fully fill up the relevant sections of your claim form – do not put “refer to police report”.

- **Don’t:**
 - negotiate, admit or repudiate any claim without our consent (see Condition 2 in page 14); and
 - authorize repair without our consent (see Condition 2f in page 14).

Condition 2 of your certificate (see page 14 and 15) spells out the do’s and the don’ts after an accident or theft in more detail.

If the insufficiency is due to **Our** negligence, **We** will make the outright transfer for the insufficiency under the principle of Hibah (gift). **You** further agree that your future surplus arising from RF during your Takaful period can be used to pay for outstanding **Qard** in RF (if any) to **Us**.

This **Certificate** reflects the terms and conditions of the contract of Takaful as agreed between **You**, **Us** and participants of the RF.

B. Where **Your Motorcycle** is used for purposes related to **Your** trade, business or profession, the following applies:

Non-Consumer Takaful Contract

The answers and any other disclosures given by **You** shall form part of this contract of Takaful between **You** and **Us**. In the event of any pre-contractual misrepresentation made in relation to **Your** answers or in any disclosures made by **You**, it may result in avoidance of **Your** contract of Takaful, refusal or reduction of **Your** claim(s), change of terms or termination of **Your** contract of Takaful.

It is our responsibility to manage the RF on behalf of the participants under the principle of **Wakalah**. In the event of insufficient balance in Risk Fund (RF) to pay your Takaful Benefits during the period of Takaful, **We** will make good the balance in the RF under the principle of **Qard** (loan) provided that the insufficiency is not due to Our negligence. If the insufficiency is due to **Our** negligence, **We** will make the outright transfer for the insufficiency under the principle of Hibah (gift). **You** further agree that your future surplus arising from RF during your Takaful period can be used to pay for outstanding **Qard** in RF (if any) to **Us**.

This **Certificate** reflects the terms and conditions of the contract of Takaful as agreed between **You**, **Us** and participants of the RF.

C. **Contribution Allocation**

Takaful Contribution allocated **You** as shown in the **Schedule** shall be placed in the Ta'awuni Account Pool (TAP) at inception to pay **Wakalah** Fee to Shareholders' Fund and **Tabarru'** to Risk Fund. The Company will manage the TAP according to the **Wakalah** principle as defined by **Us** and in accordance with the Shariah principles

We will charge up to 30% of the Takaful Contribution as an upfront **Wakalah** fee and the balance shall be allocated into the Risk Fund at inception for **Tabarru'** charges and be used to help all Takaful Participants in time of misfortune.

Should you have any inquiries on the actual **Wakalah** fee charged, please contact the Company (Tel: 03-2723 9696 @ e-mail: ikhlascare@takaful-ikhlas.com.my), for details.

D. **Surplus**

We will entitle for Surplus Performance Incentive (SPI) of 50% of the gross distributable surplus. However, **We** may at **Our** discretion and where appropriate charge the SPI for less than 50% of the gross distributable surplus.

Any net distributable surplus arising (after deducting the SPI) from the Risk Fund will be allocated in full (100%) to the Participant. Upon Takaful Certificate expiry, if the amount due to Takaful Participants is less than RM10, the amount shall either be retained in the Risk Fund or donated to charity on behalf of the Takaful participants as an act of good deed. The threshold, method and time of settlement of the surplus distribution shall be defined in the Surplus Management Policy. The threshold is not applicable if the Takaful Participants provided their banking information to the Company.

Any deficit in the Risk Fund would be met through an interest free loan (**Qard**) from the Shareholders' Fund. Such loan would be a first charge against the future surplus arising from the Risk Fund. If there is a deficit in the Risk Fund due to **Our** negligence, then it is **Our** responsibility to ensure that the fund is stable through outright transfer method and not deemed as an advance through the **Qard**.

E. Tax

Any loss or damage, including theft, caused by or attributed to the act of **Cheating** or **Criminal Breach of Trust** by any person.

2: Basis of Settlement

This section explains how **We** will settle **Your** claim once **We** accept that it is payable under Section A. If **Your Motorcycle** is damaged as a result of any **Incident**, **We** have the option of doing the following:

a. If Your Motorcycle is Repairable

If in **Our** opinion **Your Motorcycle** is economical to repair, **We** have the option to:

- arrange for **Your Motorcycle** to be repaired at **Our Approved Repairer** and pay the cost of repairing **Your Motorcycle** to the condition which is as near as possible to the condition that it was in before the loss happened;
- pay **You** in cash the amount **We** estimate it would cost to repair **Your Motorcycle**; or
- reinstate or replace **Your Motorcycle** with one of the same make, model, age and general condition.

b. If Your Motorcycle is not Repairable

If in **Our** opinion, the damage to **Your Motorcycle** is so great that it would not be safe or economical to repair, **We** will declare **Your Motorcycle** "Beyond Economic Repair" ("BER") and **You** will be paid up to the maximum amount as stated in (d) below or offer **You** a settlement sum equivalent to the **Market Value**. We may also opt to replace **Your Motorcycle** with one of the same make, model, age and general condition. If **We** take any of these actions, this **Certificate** shall be automatically terminated once **We** make payment.

*In cases where the valuation of the franchise-holder vary from **Market Value** by more than 10%, **We** would also have the option to offer a settlement value which is equal to the cost of acquiring a replacement motorcycle of the same make, model and age of the **Motorcycle** at the time of loss. It is **Our** option to offer **You** a replacement of the **Motorcycle**, should **You** not agree with the offer.*

c. Replacement Parts

If the spare parts or **Accessories** required to repair **Your Motorcycle** are not available in Malaysia, or if **We** choose to pay for the loss or damage in cash, **We** will settle **Your** claim on the following basis:

- the last known parts price list issued in Malaysia by the manufacturer or their agent. If the price list in Malaysia does not exist, **We** will use the price at the manufacturer's production plant and include reasonable cost of transportation to Malaysia (but not cost of air freight); and
- the reasonable labour cost of fitting such spare parts or **Accessories** in Malaysia.

d. The Maximum Amount will Be Paid To You

If **Your Motorcycle** is BER or stolen and not recovered, the amount payable under the **Certificate** will be the **Market Value** at the time of the loss or the **Sum Covered** as shown in the **Schedule**, whichever sum is the lesser. Upon **Our** payment of the said amount, this **Certificate** shall be automatically terminated. The **Market Value** is to be determined according to clauses 13 and 14 of Section F.

e. Under-Coverage

If the **Sum Covered** of **Your Motorcycle** is less than the **Market Value** at the time of the loss, **We** will only pay part of the loss in proportion to the difference between the **Market Value** and the **Sum Covered** as shown in the formula below:

$$\frac{\text{Sum Covered}}{\text{Market Value}} \times \text{Assessed Loss}$$

The balance has to be borne by **You**. However, this will only apply if the under-covered amount is more than 10% of the **Market Value**.

f. Betterment

If new original parts are used to repair **Your Motorcycle** and as a result of which **Your Motorcycle** is in a better condition than it was before the damage, **You** would be required to contribute to its betterment, a proportion of the costs of such new original parts. **Your** contribution would be according to the following scale:

Age of Your Motorcycle (Years)	Rate of Betterment
less than 5	0
5	15%
6	20%
7	25%
8	30%
9	35%
10 and above	40%

To determine the rate of betterment to be applied, the age of **Your Motorcycle** will be calculated based on when it was originally registered in Malaysia:

a. as a locally assembled motorcycle	Date of Original Registration
b. as a new imported Completely Built Unit (CBU) motorcycle	Year of Manufacture
c. as an imported second-hand/used/reconditioned motorcycle	Year of Manufacture

ATTACHING TO AND FORMING PART OF TAKAFUL CERTIFICATE NO:

g. Compulsory Excess (please see page 4 for explanation)

In addition to the **Excess** shown in the **Schedule**, **We** have the right to deduct the **Excess** from the amount that **We** would have to pay for each and every claim under Section A arising out of one **Incident**.

This **Excess** does not apply if the loss or damage is caused by fire, explosion, lightning, burglary, housebreaking, theft, third party property damage or bodily injury claims.

3: Towing Costs

If **Your Motorcycle** cannot be ridden as a result of any damage to it that is covered by this **Certificate**, an amount up to a maximum of RM 50 will be paid for the necessary and reasonable costs to remove **Your Motorcycle** to the nearest **Approved Repairer** or to a safe place of storage while awaiting repair or disposal.

Section C: No Claim Discount (NCD)

This section spells out the reward system known as the "No Claim Discount".

1. No Claim Discount (NCD)

If **You** have covered **Your Motorcycle** for a continuous period of 12 months and **You** or anyone else did not make any claim under this **Certificate** during that time, a NCD will be applied at each renewal. The applicable NCD will increase with each renewal if **You** continue to have claim free years as follows:

Claim Free Year of Takaful	NCD Entitlement
After 1 continuous claim free year	15%
After 2 continuous claim free years	20%
After 3 continuous claim free years and beyond	25%

2. One Claim and Your NCD is Down to Zero

If **You** or anybody else meet with an **Incident** which will give rise to a claim on this **Certificate**, the NCD entitlement that **You** have accumulated would drop to zero at the next renewal and **Your** NCD will start all over again. If a claim is received after the NCD has been applied, **We** shall be entitled to recover the NCD given from **You**.

3. Exception to this Rule

Your NCD will not be affected even if a claim is made if:

- **We** are of the opinion that **You** are not at fault for causing the loss;
- the offending vehicle is identifiable and is not a vehicle used for carriage of passengers for hire or reward (for example taxis, hire cars, public buses, stage buses, school buses and factory buses for hire);
- the offending vehicle is covered by a Malaysian licensed Takaful operator; and
- there is no death or personal injury claim involved.

4. Your NCD is not Transferable

The NCD is personal to **You** which means that if **You** were to sell **Your Motorcycle** and **We** agree to transfer this **Certificate** to the new owner, **Your** NCD cannot be transferred for the benefit of the new owner.

5. Non-utilization of NCD
