6) What are some of the key terms and conditions that I should be aware of?

- a) Importance of disclosure - you must disclose all material facts such as your age, occupation and health condition correctly. Takaful IKHLAS has the right to repudiate liability in the event that you failed to disclose relevant information that would affect the decision to accept or reject the risk, and on the terms to be applied to you.
- b) Cooling-off Period – you may cancel your Supplementary Takaful Certificate by returning the Supplementary Takaful Certificate to the Company within fifteen (15) days after you have received the Supplementary Takaful Certificate. The Company shall cancel it immediately upon receipt.
- c) Waiting period – thirty (30) days waiting period except for accidental injury.

- e) The actual investment income may fluctuate based on market conditions. As a result, the amount accumulated in the Unit Fund of the basic Takaful Certificate may rise above or fall below the total Takaful Contribution made into Unit Fund of the basic Takaful Certificate (possibly leading to early Takaful Certificate lapsation).
- f) Lapse of Takaful Certificate - the Takaful Certificate will lapse when the value of investment units is insufficient to pay for the Tabarru' and other charges.
- g) The Company will charge a Surplus Administration Charge (SAC) of 50% of the gross distributable surplus declared at the end of each Financial Year. The net distributable surplus (after deducting SAC) from the Risk Fund will be allocated in full (100%) to the Takaful Participant.

The Company, upon receipt of notice of claim, will furnish to the claimant appropriate forms for filing proof of claim and shall notify the claimant of any other requirements. This shall not preclude the Company from requiring further documentation in respect of the loss as deemed fit by the Company.
