

## IKHLAS PRIVATE CAR TAKAFUL CERTIFICATE

### SALAM SEJAHTERA AND THANK YOU

For choosing Us as Your *IKHLAS* Private Car Takaful provider.

### EXPLANATORY NOTES

#### **How to read this document**

Please note that your *IKHLAS* Private Car Takaful Certificate only starts from page 5 onwards. To help you read and understand your certificate better we provide some explanatory notes together with comments and examples (written in italic). These are not meant to be part of your certificate and should not be used to interpret your Takaful contract in the event of any dispute.

#### **Words in bold**

You will notice that some words in the certificate are printed in **bold** letters. This is because they have been given specific meaning in your *IKHLAS* Private Car Takaful Certificate. Please refer to Section F on pages 17 to 18 for the meaning of these words.

#### **What makes up your Takaful contract?**

Your Takaful contract with us is made up of the following:

- Takaful certificate in pages 5 to 26 (excluding the italic texts);
- the information you provided us when you applied to participate this Takaful cover;
- the Schedule;
- the Endorsements attached to the certificate; and
- the Certificate of Takaful (CT).

All these must be read together as they form your Takaful contract.

#### **Duty of Disclosure**

##### **A. Consumer Takaful Contract**

Where you have applied for this Takaful wholly for purposes unrelated to your trade, business or profession, you had a duty to take reasonable care not to make a misrepresentation in answering the questions in the Proposal Form (or when you applied for this Takaful) i.e. you should have answered the questions fully and accurately. Failure to have taken reasonable care in answering the questions may result in a voidance of your contract of Takaful, refusal or reduction of your claim(s), change of terms or termination of your contract of Takaful in accordance to Schedule 9 of the Islamic Financial Services Act 2013. You were also required to disclose any other matter that you knew to be relevant to our decision in accepting the risks and determining the rates and terms to be applied.

You also have a duty to tell us immediately if at any time after your contract of Takaful has been entered into, varied or renewed with us, any of the information given in the Proposal Form (or when you applied for this Takaful) is inaccurate or has changed.

##### **B. Non-Consumer Takaful Contract**

Where you have applied for this Takaful for purposes related to your trade, business or profession, you had a duty to disclose any matter that you know to be relevant to our decision in accepting the risks and determining the rates and terms to be applied, and any matter a reasonable person in the circumstances could be expected to know to be relevant, otherwise it may result in a voidance of your contract of Takaful, refusal or reduction of your claim(s), change of term(s) or termination of your contract of Takaful.

You also have a duty to tell us immediately if at any time after your contract of Takaful has been entered into, varied or renewed with us, any of the information given in the Proposal Form (or when you applied for this Takaful) is inaccurate or has changed.

If you misrepresented any facts to us before the contract is entered into, there are actions that may be taken by us against you, for example:

- declare your certificate as void from inception (which means treating it as invalid), and we may not return any contribution;
- cancel this certificate and return any contribution less our cancellation charge (if any) or recover any unpaid contribution;
- remove one or more named drivers from your certificate and adjust your contribution accordingly;
- recover any shortfall in contribution;
- decline any claim that has been or will be made under the certificate; or
- recover from you the total amount of any claim already paid under the certificate or any claim we have to pay because of any relevant road traffic legislation, plus any recovery cost.

### What this certificate does not cover?

These are referred to as 'Exceptions' in your certificate and there are three sections where you can find them:

- Section A1b – see 'What is Not Covered' (page 6): applicable to Comprehensive certificate only.
- Section B1b – see 'What is Not Covered' (pages 9 to 10): applicable to Comprehensive, Third Party, Fire & Theft and Third Party Only certificates.
- Section D – see 'General Exceptions' (pages 12 to 13): applicable to Comprehensive, Third Party, Fire & Theft and Third Party Only certificates.

There are generally three reasons why we put these exceptions in your basic IKHLAS Private Car Takaful Certificate

1. Cover is not provided for the exceptions. You have to pay additional contribution if you want to cover any of these exceptions. Some examples of the exceptions which are not covered by your basic IKHLAS Private Car Takaful Certificate but which can be covered if you pay additional contribution are:
  - flood, storm (see Section A1b – 'What is not Covered' (page 6));
  - strike, riot, civil commotion (see Section D – 'General Exception 8b' (page 13)); and
  - use outside Malaysia, Singapore or Brunei (see Section D – 'General Exception 6' (page 12)).
2. There are other risks which are not covered by the basic IKHLAS Private Car Takaful Certificate or by any of its extensions. We would have to issue a different certificate if you want these types of cover. For example, the following are not covered by your IKHLAS Private Car Takaful Certificate but can be covered under a different type of certificate:
  - carriage of goods must be covered under a IKHLAS Commercial Vehicle Takaful Certificate; and
  - hire or reward must be covered by taxi or hired car certificate.
3. We cannot and do not cover certain risks at all. Some examples of these can be seen in Section D – 'General Exceptions' (pages 12 to 13) such as claims arising due to :
  - war, nuclear fission or fusion;
  - risks that are against government/public policy or against the law; and
  - drunk driving.

### How can your car be used?

Since this is a IKHLAS Private Car Takaful Certificate, your certificate only covers you if your car is used for "social, domestic and pleasure purposes and for the Participant's business". This is clearly stated in the Certificate of Takaful under the heading "Limitation as to Use".

The following are some examples of how your car can be used:

- to visit relatives and friends, for shopping etc.; and
- for some limited business use such as getting to and from work, and meeting customers.

However, you will not be covered, for example, if you use your car in the following manner:

- as a private taxi by charging fares to carry passengers;
- as a hire car by charging rental to use your car;
- to carry any goods in connection with any trade or business other than samples unless you participate the appropriate cover;
- for motor trade (use for showroom display and for test-drive);
- to practise for or to take part in any race, rally, pacemaking, reliability trial or speed test; and
- use on any racetrack.

### Who can drive your car?

- Practically anyone can drive your car as long as the driver:
  - has a valid licence of the relevant class to drive and is not disqualified to drive by law or for some other reason (see exclusion on Unlicensed Drivers in Section D – 'General Exception 1' (page 12));
  - has your permission to drive (see definition of Authorised Driver in page 17); and
  - complies with all the terms and conditions of this certificate.
- Although anyone complying with the above conditions can drive your car, you may have to pay an additional excess depending on the age of the driver, the type of licence the driver possesses or if the driver is not a named driver under the CT (see explanation on excess in page 4). If you or your authorised driver is not qualified to drive or breach any of the terms and conditions, your claim may be rejected. If we are compelled by law to pay, we can recover any sum(s) paid and any expenses incurred from you or your authorised driver.

### In which territory is your car covered?

This Takaful you have participated only covers you in Malaysia, Singapore and Brunei in accordance to the laws of Malaysia. Additionally, note that if you intend to drive your car into Singapore, you are required by Singapore's law to have cover against Legal Liability to Passengers (LLP). Since LLP is not covered by the basic IKHLAS Private Car Takaful Certificate, you will need to participate in Endorsement 100 (see page 24), which provides a limited cover for your liability for death or bodily injury of passengers.

### When is your cover effective?

This Takaful is effective from the time of participation of the Takaful contract or at the agreed time of commencement, until the expiry date. The period of Takaful will be printed in the Certificate Schedule and related documents. If there is any change to these dates, it will be officially shown in an Endorsement issued by us.

## How much should you cover your car for under a Comprehensive or Third Party, Fire and Theft Certificate?

To be safe, you should cover your car at its current market value (see definition in page 18). In simple terms, this is the current cost to replace your car with another car of the same make, model, age and general condition. The amount that you choose to cover is called the sum covered. Please note that you could be penalised if your car is under-covered (see Section A2e – 'Under-Coverage' in page 7).

For example, if the market value of your car is RM100,000 but you only covered it for RM80,000 then you could be penalised for under-Coverage. Assuming the loss is assessed at **RM5,000**, instead of we paying the full amount, you could be made to bear a portion of the loss in proportion to the under-Coverage as follows:

$$\frac{\text{Sum Covered}}{\text{Market Value}} \times \text{Loss} = \frac{\text{RM80,000}}{\text{RM100,000}} \times \text{RM5,000} = \underline{\text{RM4,000}}$$

Therefore **RM4,000** will be paid while the balance of **RM1,000** will be borne by you.

You would be penalised as shown above if the market value of your car exceeds the sum covered by 10% or more. On the other hand, it would be inappropriate to over-cover as your Takaful operator would only pay your claim based on the market value. One way to protect yourself from being under-covered or over-covered is to opt for the sum covered determined by a market valuation system approved by Persatuan Insurans Am Malaysia (PIAM).

## What is No Claim Discount ("NCD")?

This is a form of contribution discount for not having made a claim during the preceding period of your Takaful (provided the period of Takaful is at least one year). The scale of NCD applied is specifically mentioned in the certificate.

The applicable NCD can be checked with us or the Central NCD Database ("CND") at <https://www.mycarinfo.com.my/ncdcheck/online> before the participation of your IKHLAS Private Car Takaful Certificate.

## What is an Excess?

This is the first amount that you have to bear yourself for each and every claim that we approve, even if the incident is not your fault. However, please note that the excess does not apply to loss or damage caused by fire, explosion, lightning, burglary, housebreaking, theft, third party property damage or bodily injury claims. Please check your Certificate Schedule to find out the amount that you are liable to pay. This is referred to as Endorsement 1 or 2 in your certificate. Note that there is also the Compulsory Excess (see page 8) where you have to bear an additional excess of RM400 if you or the person driving your car:

- is under 21 years old;
- holds a Provisional (P) or Learner (L) driver's licence; or
- is not named in the Schedule as a named driver.

As an example, if we assess the claim payable to be **RM10,000** but your certificate carries an excess of RM500, you will have to bear the first **RM500** yourself and the balance of **RM9,500** will be paid. However, if the driver is below 21 years old, you have to bear an additional excess of RM400. Using the same example, you now have to bear RM900 (i.e. 500 + 400) and we will pay RM9,100.

## Do's and Don'ts – after you have had an accident or theft

- **Do:**
  - Call **Accident Assist Call Centre (AACC) 24 hours** nationwide Takaful road accident Helpline number **1-300-22-1188** or **15-500** for immediate road assistance or tow service in the event of a road accident, or to make an enquiry on claims procedure;
  - inform us as soon as possible about any incident which may give rise to a claim;
  - report all accidents to the police within 24 hours as required by law;
  - submit immediately to us all letters, claims, writs and summons which you have received from third parties as a result of the incident;
  - remove your car to a PIAM Approved Repairer or our approved panel repairer for repairs or windscreen repairs or replacement;
  - fully fill up the relevant sections of your claim form – do not put "refer to police report"; and
  - if you have a Comprehensive cover and the third party that knocked your car is clearly at fault, you are advised to submit own damage Knock-for-Knock (KfK) claim to us in order to expedite claims processing. Your NCD entitlement will not be affected and you can claim the excess that you had paid from the Takaful operator/insurer of the third party.
- **Don't:**
  - negotiate, admit or repudiate any claim without our consent (see Condition 2 in page 14 to 15); and
  - authorise repair without our consent (see Condition 2f in page 15).

Condition 2 of your certificate (see page 14 and 15) spells out the do's and the don'ts after an accident or theft in more detail.

## **IKHLAS PRIVATE CAR TAKAFUL CERTIFICATE**

### **The Takaful Agreement**

A. Where **Your Car** is used for any purpose that is not related to **Your** trade, business or profession, the following applies:

#### **Consumer Takaful Contract**

This **Certificate** is issued pursuant to:

- the payment of contribution as specified in the **Takaful** Schedule to the Risk Fund (RF) under the principle of tabarru' to help other participants in the event as defined in this certificate;
- the answers given in **Your** Proposal Form (or when **You** applied for this Takaful); and any other disclosures made by **You** between the time of submission of **Your** Proposal Form (or when **You** applied for this Takaful) and the time this contract is entered into. The answers and any other disclosures given by **You** shall form part of this contract of Takaful between **You** and **Us**. However, in the event of any pre-contractual misrepresentation made in relation to **Your** answers or in any disclosures given by **You**, only the remedies in Schedule 9 of the Islamic Financial Services Act 2013 will apply.

It is our responsibility to manage the RF on behalf of the participants under the principle of wakalah. In the event of insufficient balance in Risk Fund (RF) to pay your Takaful Benefits during the period of Takaful, **We** will make good the balance in the RF under the principle of Qard (loan) provided that the insufficiency is not due to Our negligence. If the insufficiency is due to **Our** negligence, **We** will make the outright transfer for the insufficiency under the principle of Hibah (gift). **You** further agree that your future surplus arising from RF during your Takaful period can be used to pay for outstanding Qard in RF (if any) to **Us**.

This **Certificate** reflects the terms and conditions of the contract of Takaful as agreed between **You, Us** and participants of the RF.

B. Where **Your Car** is used for purposes related to **Your** trade, business or profession, the following applies:

#### **Non-Consumer Takaful Contract**

This **Certificate** is issued pursuant to the payment of contribution as specified in the **Takaful** Schedule to the Risk Fund ("RF") under the principle of tabarru' to help participants of RF and our responsibility to manage the RF on behalf of the Participants under the principle of wakalah and pursuant to the answers given in **Your** Proposal Form (or when **You** applied for this Takaful) and any other disclosures made by **You** between the time of submission of **Your** Proposal Form (or when **You** applied for this Takaful) and the time this contract is entered into. The answers and any other disclosures given by **You** shall form part of this contract of Takaful between **You** and **Us**. In the event of any pre-contractual misrepresentation made in relation to **Your** answers or in any disclosures made by **You**, it may result in avoidance of **Your** contract of Takaful, refusal or reduction of **Your** claim(s), change of terms or termination of **Your** contract of Takaful.

It is our responsibility to manage the RF on behalf of the participants under the principle of wakalah. In the event of insufficient balance in Risk Fund (RF) to pay your Takaful Benefits during the period of Takaful, **We** will make good the balance in the RF under the principle of Qard (loan) provided that the insufficiency is not due to Our negligence. If the insufficiency is due to **Our** negligence, **We** will make the outright transfer for the insufficiency under the principle of Hibah (gift). **You** further agree that your future surplus arising from RF during your Takaful period can be used to pay for outstanding Qard in RF (if any) to **Us**.

This **Certificate** reflects the terms and conditions of the contract of Takaful as agreed between **You, Us** and participants of the RF.

### **C. Contribution Allocation**

Payment of the Contribution paid by **You** as shown in the Schedule shall be placed in the General Risk Investment Account (GRIA) where **We** will manage according to the Wakalah principle as defined by **Us** and in accordance with Shariah principles. **We** will charge up to 30% of the Contribution as an upfront Wakalah fee and the balance shall be allocated into the Risk Fund at inception for Tabarru' charges and be used to help all participants in time of misfortune.

### **D. Surplus**

At each financial year-end, the Actuary will assess the surplus position of the Risk Fund, to preserve long term sustainability of the fund. **We** will charge a Surplus Administration Charge (SAC) of 50% of the gross distributable surplus arising at the end of the financial year. However, **We** may at **Our** discretion and where appropriate charge the SAC for less than 50% of the gross distributable surplus.

Any net distributable surplus arising (after deducting the SAC) from the Risk Fund will be allocated in full (100%) to the Participant. If the amount due to Participant is less than the threshold, the amount shall either be retained in the Risk Fund or donated to charity on behalf of the Participants. Both the threshold and the treatment of such amount shall be as defined in the Surplus Management Policy.

Any deficit in the Risk Fund would be met through an interest free loan (Qard) from the Shareholders' Fund. Such loan would be a first charge against the future surplus arising from the Risk Fund. If there is a deficit in the Risk Fund due to **Our** negligence, then it is **Our** responsibility to ensure that the fund is stable through outright transfer method and not deemed as an advance through the Qard.

## Section A: Loss or Damage to Your Own Car

This section spells out the coverage under Section A and is only applicable if **You** have Comprehensive cover.

  - (ix) **Cheating or Criminal Breach of Trust**  
Any loss or damage, including theft, caused by or attributed to the act of **Cheating** or **Criminal Breach of Trust** by any person.

## 2: Basis of Settlement

This section explains how **We** will settle **Your** claim once **We** accept that it is payable under Section A. If **Your Car** is damaged as a result of any **Incident**, **We** have the option of doing the following:

### a. If Your Car is Repairable

If in **Our** opinion **Your Car** is economical to repair, **We** have the option to:

- arrange for **Your Car** to be repaired at **Our** approved **Repairer** and pay the cost of repairing **Your Car** to the condition which is as near as possible to the condition it was in before the loss happened;
- pay **You** in cash the amount **We** estimate it would cost to repair **Your Car**; or
- reinstate or replace **Your Car** with one of the same make, model, age and general condition.

### b. If Your Car is not Repairable

If in **Our** opinion, the damage to **Your Car** is so great that it would not be safe or economical to repair, **We** will declare **Your Car** "Beyond Economic Repair" ("BER") and **You** will be paid up to the maximum amount as stated in (d) below or offer **You** a settlement sum equivalent to the **Market Value**. **We** may also opt to replace **Your Car** with one of the same make, model, age and general condition. If **We** take any of these actions, this **Certificate** shall be automatically terminated once **We** make payment.

*In cases where the valuation of the franchise-holder vary from **Market Value** by more than 10%, **We** would also have the option to offer a settlement value which is equal to the cost of acquiring a replacement car of the same make, model and age of the **Car** at the time of loss. It is **Our** option to offer **You** a replacement of the **Car**, should **You** not agree with the offer.*

### c. Replacement Parts

If the spare parts or **Accessories** required to repair **Your Car** are not available in Malaysia, or if **We** choose to pay for the loss or damage in cash, **We** will settle **Your** claim on the following basis:

- the last known parts price list issued in Malaysia by the manufacturer or their agent. If the price list in Malaysia does not exist, **We** will use the price at the manufacturer's production plant and include reasonable cost of transportation to Malaysia (but not the cost of air freight); and
- the reasonable labour cost of fitting such spare parts or **Accessories** in Malaysia.

### d. The Maximum Amount will Be Paid To You

If **Your Car** is **BER** or stolen and not recovered, the amount payable under the **Certificate** will be the **Market Value** at the time of the loss or the **Sum Covered** as shown in the **Schedule**, whichever sum is the lesser. Upon **Our** payment of the said amount, this **Certificate** shall be automatically terminated. The **Market Value** is to be determined according to clauses 14 and 15 of Section F.

### e. Under-Coverage

If the **Sum Covered** of **Your Car** is less than the **Market Value** at the time of the loss, **We** will only pay part of the loss in proportion to the difference between the **Market Value** and the **Sum Covered** as shown in the formula below:

$$\frac{\text{Sum Covered}}{\text{Market Value}} \times \text{Assessed Loss}$$

The balance has to be borne by **You**. However, this will only apply if the under-covered amount is more than 10% of the **Market Value**.

### f. Betterment

If new original parts are used to repair **Your Car** and as a result of which **Your Car** is in a better condition than it was before the damage, **You** would be required to contribute to its betterment, a proportion of the costs of such new original parts. **Your** contribution would be according to the following scale:

Age of Your Car (Years)	Rate of Betterment
less than 5	0
5	15%
6	20%
7	25%
8	30%
9	35%
10 and above	40%

To determine the rate of betterment to be applied, the age of **Your Car** will be calculated based on when it was originally registered in Malaysia:

a. as a locally assembled car	Date of Original Registration
b. as a new imported Completely Built Unit (CBU) car	Year of Manufacture
c. as an imported second-hand/used/reconditioned car	Year of Manufacture

**g. Compulsory Excess** (please see page 4 for explanation)

In addition to the **Excess** shown in the **Schedule**, **We** have the right to deduct another RM400 as Compulsory **Excess** if at the time of the **Incident**, **You** or the person driving **Your Car** with **Your** consent:

- is under 21 years old;
- holds a Provisional (P) or Learner (L) driver's licence; or
- is not named in the **Schedule** as **Named Driver**.

**We** will not deduct this additional RM400 **Excess** if the loss or damage is caused by fire, explosion, lightning, burglary, housebreaking, theft, third party property damage or bodily injury claims.

### 3: Towing Costs

If **Your Car** cannot be driven as a result of any damage to it that is covered by this **Certificate**, an amount up to a maximum of RM 200 will be paid for the necessary and reasonable costs to remove **Your Car** to the nearest approved **Repairer** or to a safe place of storage while awaiting repair or disposal.

## Section B: Liability to Third Parties

This section explains what is covered and not covered under Section B.

### 1a: What is Covered?

**You** and/or **Your Authorised Driver** will be indemnified for the amount which **You** and/or **Your Authorised Driver** are legally liable to pay any third party (including third party's costs and expenses) for:

- (i) death or bodily injury to any person except those specifically excluded under this **Certificate**; and/or
- (ii) damage to property except those specifically excluded under this **Certificate**

as a result of an **Incident** arising out of the use of **Your Car** on a **Road**. This cover is extended to **Your Authorised Driver** provided **Your Authorised Driver** also complies with all the terms and conditions of this **Certificate**.

### 2: Limits of Our Liability

The following will be paid for any one claim, or series of claims arising from one **Incident**, in any one **Period of Takaful**:

- (i) unlimited amount for death or bodily injury to third party; and/or
- (ii) up to a maximum of RM3 million for third party property damage.

*For an additional contribution, the limits of liability for third party property damage can be extended up to RM20 million (**Endorsement 105**).*

### 3: Cover for Legal Personal Representatives

Following the death of any person covered under this **Certificate**, that person's legal representatives will be indemnified for liability covered under this Section, provided such legal representatives comply with all the terms and conditions of the **Certificate**.

### 1b: What is Not Covered?

These exceptions are specific to Section B and are in addition to the Exceptions stated in Section D of this **Certificate** and any other applicable **Endorsement**. **You** will not be paid for:

- (i) death or bodily injury to any passenger being carried for hire or reward;
- (ii) death or bodily injury to any person where such death or injury arises out of and in the course of the employment of such person by **You** or by **Your Authorised Driver**;

### 1. No Claim Discount (NCD)

If **You** have covered **Your Car** for a continuous period of 12 months and **You** or anyone else did not make any claim under this **Certificate** during that time, a NCD will be applied at each renewal. The applicable NCD will increase with each renewal if **You** continue to have claim free years as follows:

Claim Free Year of Takaful	NCD Entitlement
After 1 continuous claim free year	25%
After 2 continuous claim free years	30%
After 3 continuous claim free years	38 1/3%
After 4 continuous claim free years	45%
After 5 continuous claim free years and beyond	55%

### 2. One Claim and Your NCD is Down to Zero

If **You** or anybody else meet with an **Incident** which will give rise to a claim on this **Certificate**, the NCD entitlement that **You** have accumulated would drop to zero at the next renewal and **Your** NCD will start all over again. If a claim is received after the NCD has been applied, **We** shall be entitled to recover the NCD given from **You**.

### 3. Exception to this Rule

**Your** NCD will not be affected even if a claim is made if:

- **We** are of the opinion that **You** are not at fault for causing the loss;
- the offending vehicle is identifiable and is not a vehicle used for carriage of passengers for hire or reward (for example taxis, hire cars, public buses, stage buses, school buses and factory buses for hire);
- the offending vehicle is covered by a Malaysian licensed Takaful operator; and
- there is no death or personal injury claim involved.

### 4. Your NCD is not Transferable

The NCD is personal to **You** which means that if **You** were to sell **Your Car** and **We** agree to transfer this **Certificate** to the new owner, **Your** NCD cannot be transferred for the benefit of the new owner.

### 5. Non-utilisation of NCD
