However, the Tabarru' charge is NOT GUARANTEED and may be varied from time to time by giving three (3) months' notice to the Takaful Participant prior to Takaful Certificate anniversary.

**5) What are the fees and charges that I have to pay?**

- a) Wakalah Fees - not applicable.
- b) Tabarru' charge is deducted from the Unit Fund of the basic Takaful Certificate (through cancellation of units at unit price). Tabarru' will increase as the Person Covered grow older. Details of the tabarru' amount and other charges for this rider are illustrated in the benefit illustration.

**6) What are some of the key terms and conditions that I should be aware of?**

- a) Importance of disclosure - you must disclose all material facts such as your age, occupation and health condition correctly. Takaful IKHLAS has the right to repudiate liability in the event that you failed to disclose relevant information that would affect the decision to accept or reject the risk, and on the terms to be applied to you.
- b) Cooling-off Period – you may cancel your Supplementary Takaful Certificate by returning the Supplementary Takaful Certificate to the Company within fifteen (15) days after you have received the Supplementary Takaful Certificate. The Company shall cancel it immediately upon receipt.
- c) Waiting period – Such Critical Illness must last for a continuous period of not less than six (6) months in duration.
- d) Value of the Unit Fund of the basic Takaful Certificate depends on the performance of the investment-linked funds selected. The higher the level of Takaful coverage selected, the more units will be absorbed to pay for the Tabarru' charges and fewer units will remain to accumulate cash values under the Takaful Certificate.
- e) The actual investment income may fluctuate based on market conditions. As a result, the amount accumulated in the Unit Fund of the basic Takaful Certificate may rise above or fall below the total Takaful Contribution made into Unit Fund of the basic Takaful Certificate (possibly leading to early Takaful Certificate lapsation).
- f) Lapse of Takaful Certificate - the Takaful Certificate will lapse when the value of investment units is insufficient to pay for the Tabarru' and other charges.
- g) The Company will charge a Surplus Administration Charge (SAC) of 50% of the gross distributable surplus declared at the end of each Financial Year. The net distributable surplus (after deducting SAC) from the Risk Fund will be allocated in full (100%) to the Takaful Participant.
- h) It is important for you to receive receipts and keep them as proof of payment of Takaful Contributions.

- i) If you do not receive the Takaful Certificate after fourteen (14) days from the date of participation, please contact us (for standard cases only).
- j) Notification of claim must be given in writing to the Company within thirty (30) days after occurrence of any claim. The Company, upon receipt of notice of claim, will furnish to the claimant appropriate forms for filing proof of claim and shall notify the claimant of any other requirements. This shall not preclude the Company from requiring further documentation in respect of the loss as deemed fit by the Company. All such information and evidence must be furnished to the Company within ninety (90) days from the date of the events covered.
- k) This Supplementary Takaful Certificate will not provide any benefit amount on termination, maturity or expiry of the Supplementary Takaful Certificate.

Note: This list is non-exhaustive. Please refer to the Takaful Certificate for the terms and conditions under this Takaful Certificate.
