3.2 **Effect of this Business Transfer Scheme on Transferred Assets and Transferred Liabilities**

3.2.1 The Transferred Assets shall be transferred to and vest in the Transferee with effect as from the Completion Date and that all the Transferred Liabilities shall be assumed by and become liabilities of the Transferee with effect as from the Completion Date.

3.2.2 The Completion Balance Sheet should be prepared substantially in the form and content of the Accounts Date Balance Sheets with appropriate updates to take into account changes to the assets and liabilities of the General Takaful Business as set out in the Accounts Date Balance Sheets during the period between the Accounts Date and the day immediately prior to the Completion Date and to include all such new assets and liabilities of the Transferor acquired from the Accounts Date up to and including the day immediately prior to the Completion Date and reciprocally shall exclude all such assets and liabilities which are no longer available, obsolete or have been disposed of, terminated or expired up to and including the day immediately prior to the Completion Date.

3.3.10 Any Instrument shall be construed and have effect on and from the Completion Date as if for any reference therein to the Transferor there were substituted a reference to the Transferee.

3.3.11 Any Contract (to the extent that it is still in force or has any effect) shall have effect on and from the Completion Date as if the Transferee had been a party thereto instead of the Transferor.

3.3.14 Any judgment or award of any arbitral or other tribunal or administrative body obtained by or against the Transferor in relation to the General Takaful Business (but excluding those in relation to the Excluded Contracts and the Excluded Liabilities) not fully satisfied before the Completion Date shall be enforceable by or, as the case may be, against the Transferee.
